APPLICATION FOR PERMISSION TO USE SALT LAKE SHOPPING CENTER

The Salt Lake Shopping Center is privately owned and has been developed to provide the general public with a modern, clean, comfortable and safe place in which to shop.

The Center recognizes that from time to time various groups/organizations may desire the use of appropriate places in the mall area for activities, which they deem to be of community interest. To accommodate such groups/organizations in this manner and to an extent consonant with the primary commercial purpose of the Shopping Center, the Shopping Center will designate a specific area or areas of the mall which will be available on a "first come, first serve" basis. The Center, however, does not approve/allow any religious or political interest.
